We Want You For Your Money

Sounds like a come on, right?

Right!

The fact is we organize all this because we need you.

To help in the decision-making that shapes the University.

To help in fund drives for better facilities and scholarships.

To help insure programs correspond with the working world as you experience it.

To help student recruitment efforts.

And yes, we need you to give money (when you have it to give), to help pay for the things other schools take for granted but Concordia still needs.

In short, we need you to help make Concordia better.

But you don't just help others - in the end, you help yourself too.

The more active your alumni membership, the more Concordia's stature grows, and that reflects on your degree - and on you.

And you have fun in the bargain!

Every graduate is automatically enrolled in the membership of the Concordia University Alumni Association.

We hope you'll make your membership an active one.

Making the Best University Better

GUIDING THE STINGERS

PAUL ARSENAULT HEAD COACH AND DIRECTOR OF HOCKEY OPERATIONS

Sometimes referred to as the Bear Bryant of university hockey in Canada, Paul Arsenault enters his 22nd season behind the bench with an outstanding .650 winning percentage. His 526 victories leave him 21 behind the late John MacInnes of Michigan Tech, who is the all-time winning mentor in North America with 557 wins over 26 seasons.

Arsenault began his coaching career in 1963 when, after graduating in Physical Education from the University of New Brunswick, he took over the

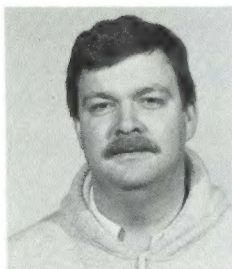

reigns of the Sir George Williams University pucksquad. He led his troops to four league titles before joining the arch-rival Loyola College Warriors in 1973. There, his teams won two titles in three seasons before Loyola and Sir George merged and the Concordia University Stingers were born. That marked the beginning of a dynasty as the club captured the league championship in its first nine seasons. The streak finally ended last year as the Stingers finished out of the play-offs. Overall, Arsenault has been the guiding light behind 16 conference

titles. He's been named Quebec University Athletic Association coach of the year on three occasions and has gained National honors twice.

Last year's 5-13-2 QUAA record tells only part of the Stingers' 1984-85 story. In non-conference play the club compiled an 11-6-2 mark, which included victories over top ranked teams like Cornell, York, University of Toronto and Dartmouth.

While winning is obviously the coach's primary goal he maintains that it is the preparation to win which takes priority, in addition to training young men to play the best hockey they can and use the sport to their advantage in future years. By that Arsenault is referring to education and he's very proud to note that over 90 percent of his players have graduated.

Aside from his duties with the hockey team Arsenault is also one of the assistant athletic directors at Concordia. For the past three years he has been in charge of women's athletics. Prior to that, he held down the position of budget coordinator. For the past 11 years Paul has operated his own hockey school on the West Island. Last summer he and his colleague Bob Philip, Concordia's Sports Information Director, transformed the program from a day camp format to residential at John Abbott College in Ste. Anne de Bellevue. During the four weeks it ran, some international flavor was added. Former Stinger goalie Jim Corsi, now a playing coach in Italy, served as guest instructor and brought some Italian players with him. Paul resides in Pointe Claire with his wife Cathi and two daughters Klay, 13 and Holly, 6.

ROB BRODRICK ASSISTANT COACH

Rob served as coach of the Junior Varsity Killer Bees last season and began the present campaign J. V. Coordinator, before becoming an assistant to Paul Arsenault. Rob has been on the varsity puck scene since the 1983-84 campaign, occupying a number of roles. He compiled statistics, conducted in-depth game analysis and helped out at practices. The son of Montreal Expos team physician Dr. Bob Brodrick, Rob is married and lives in N.D.G. He replaces Eric Dixon, who worked alongside Arsenault for three years.

BILLY SAMPSON APPRENTICE COACH

A native of N.D.G., Billy will become part of Quebec University Hockey League history this year as the first ever apprentice coach. A Concordia student, currently completing his third year of a double major in geography and history, he has coaching experience in the Montreal Hurons organization, which groups players from N.D.G., Côte des Neiges, Snowdon and Ville Emard. Coach Arsenault envisions Sampson's role as that of a jack of all trades. He'll make game analysis, do statistical work and closely observe Arsenault work behind the bench. The Concordia mentor says Sampson is a welcome addition to the Stingers family, noting that by reiterating certain points "everybody will benefit including myself."

CONCORDIA HOCKEY 1985-86

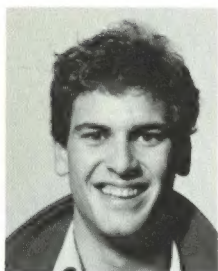

AMEY, Curtis Commerce - 2
Defence, 6'-1", 175
04/07/65, Deloraine, Manitoba

Curtis joins the Stingers via the Deloraine Royals, Manitoba Provincial Champions the last two seasons at the senior level. Last year the big defenceman played in 35 games, scoring five goals and adding 20 assists for 25 points. He should be a starter this season.

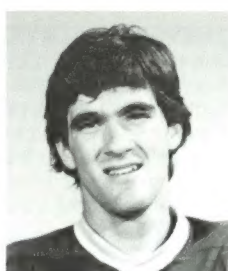

BOYLE, Robert J. Science - 1
Right Wing/Defence, 6'-1", 205
13/02/64, Scarborough, Ontario

Robert is the type of player who likes to play it tough and keep opposing players honest. Capable of playing both up front and on defence, he played Provincial Junior "A" hockey for the North York Red Wings last season. In 46 games he had 27 goals and 17 assists for 44 points while spending 100 minutes in the penalty box. He was chosen best defensive player at North York last year.

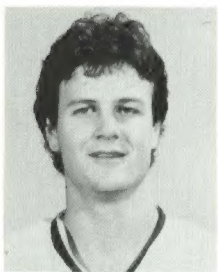

ARSENAULT, Steve Exercise Science - 1
Goaltender, 6'-2", 185
26/02/65, Dorval, Quebec

No relation to Stingers Head Coach and Director of Hockey Operations, Paul Arsenault, Steve is a graduate of the CEGEP St. Laurent Patriotes program of the highly competitive Collegiate "AAA" League. Steve served as the Patriotes first-string netminder last season and was approached by Colgate University. Two years ago he started for the Noranda Aces of the Quebec Juvenile AAA League where he was selected to the first all-star team.

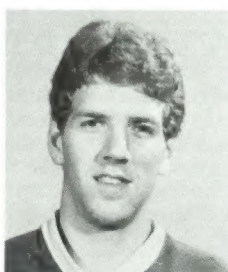

BROPHY, Paul Recreation - 1
Centre, 5'-9", 165
04/08/64, Manotick, Ontario

The 21 year old Brophy split last season between the Richmond Royals and the Pembroke Lumber Kings. In 36 games he scored 36 goals and added 36 assists for 72 points. A very quick forward, he will probably play both varsity and J.V. this year.

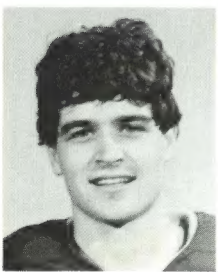

BARKER, Bruce English - 2
Defence, 5'-10 1/2", 165
24/04/62, Long Sault, Ontario

Bruce entered Concordia last year at Christmas and played both forward and defense. His attitude and versatility are more valuable this year with the loss of so many defencemen during the off season. He could be moved to forward as the new defencemen mature.

BUTTON, Tod Arts - 1
Left Wing, 6'-2", Pierrefonds, Quebec

Tod played at the Collegiate "AA" level the last two seasons with the John Abbott College Islanders. His 23 goal, 19 assist performance in 24 games last year earned him the Jeff Mills Memorial Trophy, awarded annually to the John Abbott player whose all-round attitude to the college in sports and academics is exemplary. Tod will gain experience at both the Varsity and J.V. levels this season.

BLANCHETTE, Richard Commerce - 1
Centre, 5'-9", 167
04/02/65, Sherbrooke, Quebec

Richard joins the Stingers with some impressive offensive credentials. He notched 25 goals and 38 assists last season for the Victoriaville Vulkins, placing ninth overall in the Collegiate AAA scoring race. One of this years' scholarship recipients, he is one of Coach Arsenault's bright hopes for the future.

CARTER, Jeff Business Administration - 1
Left Wing, 5'-8", 175
03/08/64, Long Sault, Ontario

Playing for the Brockville Junior "A" Braves last season, Jeff had 25 goals and 44 assists for 69 points in 49 games. Always a high scorer, Jeff has a strong shot and is a good skater. If he works on his defensive play he could be a regular this year.

Warm thoughts for cool nights.

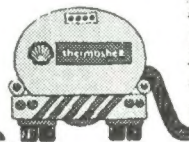

EMERGENCY SERVICE is considered by most Thermoshell customers to be the most important part of Thermoshell's total home heating service. They claim that knowing they can get help in a hurry is real peace of mind. With Thermoshell's Emergency Service, a skilled technician will answer your call quickly. You're assured of a professional job because our thoroughly trained technicians keep abreast of the latest technology in oil-burning equipment. And that means there's not a problem we can't solve.

Thermoshell is more than home heat.

Of course Thermoshell's home heating service is more than just Emergency Service. It also includes an Annual Tune-up, so you can take peak performance and trouble-free operation of your furnace for granted. The Thermoshell Protection Plan guarantees you peace of mind because it provides coverage for vital parts, emergency service and an annual tune-up—all for just pennies a day, and Automatic Delivery, which means you should never run out of oil or ever have to call for a delivery. Thermoshell. Nice warm help. Now there's a nice thought.

Thermoshell is nice warm people.

The Thermoshell Service Contractor, who does your annual tune-up, is the same person who responds quickly to your emergency call. And dealing with one person is a nice friendly way to do business. You get to know him and he gets to know your home heating system, which means he can correct any problems that come up—quickly and efficiently. What's even nicer is that he will probably turn out to be your neighbour, since, very often, he lives right in your community.

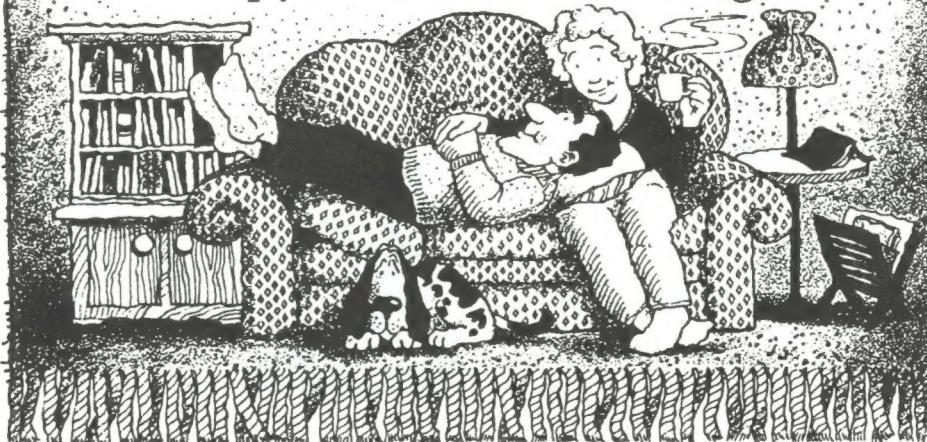

With Thermoshell it's neighbours helping neighbours to get all the nice warm help you need—all the time.

CATER, Brent Arts - 3
Left Wing, 6'1", 210
20/01/63, Ottawa, Ontario

Brent certainly comes under the "unsung hero" heading. A solid two way hockey player, who is known for his keen ability to check opposing players, he popped in 13 goals and added 15 assists in 30 games last season. But his value to the team didn't always show up on the scoresheet. Sliding in front of blistering shots, without the slightest concern, is part of his regular repertoire and he has the bruises to prove it. Brent is considered by Coach Arsenault as one of his most valuable players because he always plays outstanding hockey under pressure.

EARLEY, Glen Arts - 1
Right Wing, 5'-10", 175
30/06/65, Erickson, Manitoba

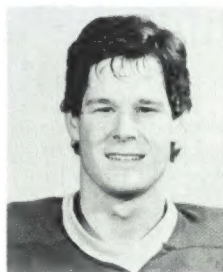

A former top scorer in Manitoba Juvenile hockey and M.V.P. with the Gridison Juniors, Glen is a good prospect who, with experience, can gain a berth on the Varsity. He will start the season with the JV's and move up during the year.

CHAMPAGNE, Luc Arts - 2
Centre/Defence, 5'-11", 175
11/08/65, North Bay, Ontario

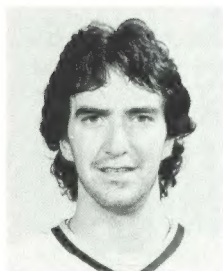

Luc played in only 20 games last season, however 15 of those were part of the Quebec University Hockey League regular schedule in which he had a goal and an assist. He had an opportunity to fine tune his skills, suiting up for the Junior Varsity Killer Bees and is expected to be one of the Stingers' regulars this season. Could play forward or defence.

1984-85	20	1	2	3	6

FOY, Martin Commerce - 1
Defence, 6', 190
07/11/63, Willowdale, Ontario

A former Toronto Red Wing Junior star who attended Bowling Green University on a hockey scholarship, Martin was injured and sat out most of last season. An outstanding defenceman he should help strengthen the blueline corp when he becomes eligible at Christmas.

COTE, Damien Commerce - 1
Centre, 6', 167
30/12/62, Val D'Or, Quebec

Damien turned down a U.S. scholarship to attend Concordia this year. An outstanding skater and scorer, sidelined early with illness. He should give the Stingers outstanding depth at centre.

HRIVNAIC, Ken Economics - 1
Goaltender, 5'11", 183
25/04/64, Montreal, Quebec

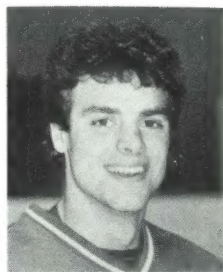

"Kenny" played Junior B with the Ahuntsic Cougars and midget with the Elites du Nord, winning several championships. Coach Arsenault feels Kenny has great potential and can develop into a first-class college goaltender.

DEEGAN, Mike Science - 3
Centre, 6', 194
27/03/63, Pointe-aux-Trembles, Quebec

Mike is a former Dawson College star who received a hockey scholarship to the University of Illinois. He transferred to Concordia after a one year stint in the Atlantic Coast League with the Carolina Thunderbirds. Eligible at Christmas last year, Mike should be ready for a leadership role up front this season.

1984-85	6	4	3	7	6

IAMMATEO, Franco Commerce - 2
Left Wing, 6'1", 188
11/06/64, Montreal, Quebec

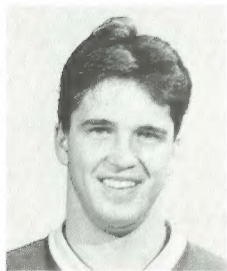

A former standout performer in the Quebec Major Junior hockey League where he starred for two seasons with the Longueuil Chevaliers, Franco was scheduled to join the Stingers last season. However, he elected to take a year off and concentrate on his studies. Hockey is not the only sport in which he excels. He is also an outstanding soccer player in the Montreal League.

CONCORDIA HOCKEY 1985-86

KEDZO, Tony Commerce - 2
Right Wing, 5'11", 170
21/11/62, Pierrefonds, Quebec

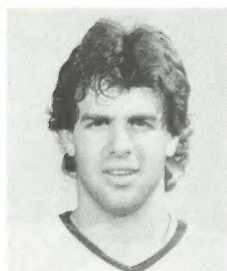

Tony is a product of the Pierrefonds Lions Junior hockey system where he earned the reputation of a grinder. A rugged winger, who is hard to move in front of the opposing net, Kedzo isn't afraid to go in the corners either. A second year Concordia student, he decided to dedicate his first two semesters exclusively to school. Nonetheless, he kept close tabs on the Stingers and attended many of their games. Coach Arsenault is pleased with Tony's drive and conditioning.

KOSTURIK, Mark Recreation and Leisure - 4
Left Wing, 5'9", 170
11/06/62, North Bay, Ontario

Nicknamed "Magic Mark", this exciting and explosive young winger is the epitome of consistency. A graduate of the North Bay Trappers junior system, Mark has led the Stingers in scoring the past two seasons and has a career total of 176 points in three years. He collected 72 points, on 30 goals and 42 assists during the 1984-85 campaign and gained both Quebec University Hockey League and Canadian Interuniversity Athletic Association All-Canadian honours. His season also included a three-game stint with the Canadian Olympic team over the Christmas Holidays.

LASCELLE, Giles Arts - 3
Defence, 6'-0", 185
20/07/62, Cornwall, Ontario

Giles really came into his own last season on defence and was selected to the Quebec University Hockey League All-Star team. He began his Stinger career with the Junior Varsity Killer Bees two years ago, but he was quickly elevated to the big team where he played 34 games on both defence and up front. Last season he had 7 goals and 12 assists in 33 games. Expected to be a big leader for the Stingers this year.

MacNAB, Scott Exercise Science - 3
Goaltender, 5'11", 170
15/05/65, Kars, Ontario

Scott was one of the bright spots with Rob Brodrick's JV Bee Club last season. After a strong high school career in Ottawa, Scott has matured into a solid goaltender and may be ready to step into a starting spot with the Stingers.

MORRIS, Frank Exercise Science - 4
Centre, 5'10", Alexandria, Ontario

One of the most inspirational and tenacious players to ever suit up in a Stringer uniform, "Fearless Frankie" has built quite a reputation for himself around the Quebec University Hockey League during this three-year career. Last season he had 17 goals and 19 assists in 39 games, along with 168 minutes in penalties. That raised his overall total to 427. Frankie is Coach Arsenault's man for all occasions. He is used on the power play and to kill penalties. His brother Don is a former Stinger (ALL CANADIAN).

PARROTT, Brian Commerce - 1
Defence, 6', 195
12/03/65, Toronto, Ontario

A Toronto Red Wing defenceman last season, Brian has all the tools to be a regular in the Stingers lineup. Coach Arsenault feels that Brian can improve his skating and puckhandling and really help the Stingers defence this season.

POETA, Dave Commerce - 1
Right Wing, 5'-7", 155
04/11/62, North Bay, Ontario

The newest member of the Stingers North Bay connection, Dave decided to come to Concordia upon the recommendation of Mark Kosturik and Luc Champagne, who hail from the same city. Last year he was Canadore College's leading scorer with 22 goals and 25 assists in 32 games. A good all-round athlete, he also played football in his days at West Ferris Secondary School. Very fast and alert around the net, he should be a big help to the offensive attack this year.

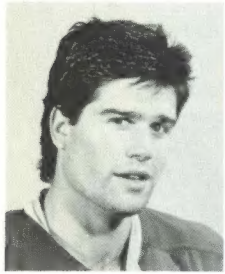

SMITH, Jeffrey Engineering - 3
Right Wing, 5'-8", 167
06/11/65, Dollard-des-Ormeaux, Quebec

Last season Jeff toiled for the J.V. Killer Bees and was instrumental in leading them to the playoffs. This year Jeff reported in outstanding condition determined to break into the Stingers lineup. His early season play suggests that Jeff will be a regular this year.

CONCORDIA HOCKEY 1985-86

STEVENSON, Jim / Sociology - 2
Right Wing, 6', 188
14/0 /63, Toronto, Ontario

Nicknamed "Rebel", Jim split last season between the Junior Varsity killer Bees and the Stingers. In 22 games with the big team, he had a goal and two assists. An outstanding athlete, he came to Concordia via Mississippi State where he played two years of college baseball. But arm trouble prompted the hard throwing left-handed pitcher to leave the mound for the ice. If his skating continues to improve he could break into the lineup as a defensive forward.

VERMETTE, Richard Recreation and Leisure - 1
Centre, 5'-10", 175
22/04/64, St. Jerome, Quebec

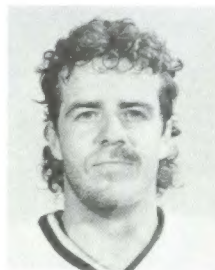

A Quebec scholarship recipient, Richard played in the strong Collegiate AAA league last year for the St. Jerome Cheminots and finished the season with 22 goals and 51 assists in 41 games. He finished among the top league scorers and turned down an offer to attend a pro camp this fall to concentrate on making the Stinger lineup. He should add scoring punch and depth to the attack.

TRINEER, Neil Arts - 2
Defence, 6'-1", 200
16/12/63, Toronto, Ontario

A tough, hard hitting defenceman, Neil joined the Stingers at the mid-way point of last season and scored 3 goals and 5 assists in 10 games. The Toronto native spent 3 years in the Ontario junior Hockey League with the Windsor Spitfires, Kingston Canadians and Toronto Marlboros. Neil had a cameo role in the motion picture "Youngblood". Neil should help solidify a young defensive corp this year.

CONCORDIA J.V. HOCKEY 1985-86

Stingers farm system continues to prosper

It hasn't received a great amount of recognition over the years, but Concordia's junior varsity hockey program has been a major contributor to the success of the sport at the university. Originally instituted back in the Loyola College days, Stingers head coach and director of hockey operations Paul Arsenault solidified the program five years ago when he created the Concordia Senior Hockey League.

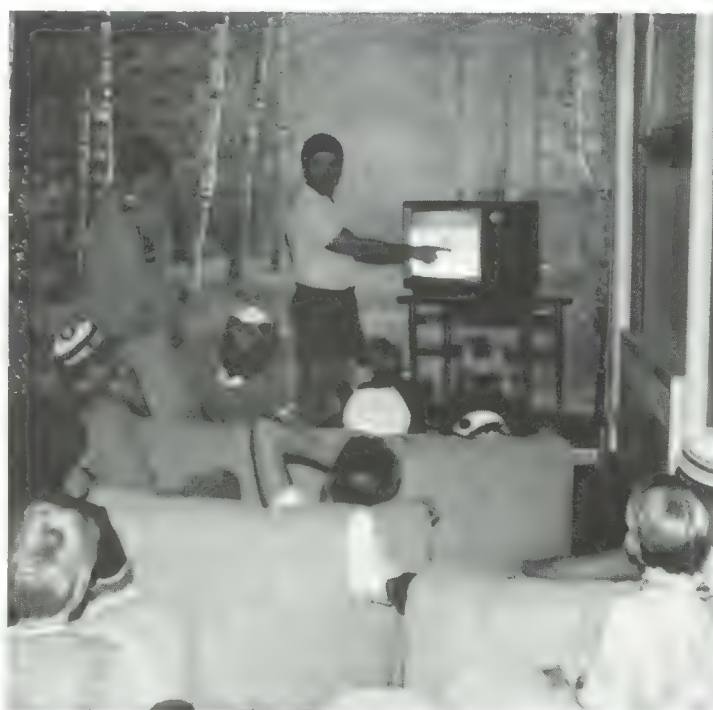

The Concordia J.V. Killer Bees are made up of late cuts from the varsity roster and Stinger hopefuls. Having a farm system, says Arsenault, has been invaluable. It serves as a fine training ground for players who just aren't ready to make a big jump to university hockey and can also be used as a vehicle whereby injured members of the big team can play themselves back into shape. Over the years players from the Stinger roster seeing limited duty in Quebec University Hockey League play have been known to partake in a number of J.V. contests as well. Arsenault notes that there aren't too many teams in North

America which have won with the same consistency as Concordia over the past decade. And he credits the J.V. program for such a unique distinction.

Coaching the Concordia J.V. squad this year is Bernard Gagnon. This will be the St. Laurent native's first time being exposed to university hockey in Quebec from a coaching standpoint. However, he is by no means a newcomer to the game. Following a professional playing career which saw him enjoy minor league stops with the Denver Spurs, Fort Worth Wings and San Diego Gulls, he moved on to Switzerland where he played for HC Sierre and HC Kloten for his first six years and HC Lugano for two more. The past two winters he was a playing coach for HC Martigny of the Swiss National "C" League. From 1968 to 1972 he earned his Bachelor's Degree in Business Administration at the University of Michigan, while starring for their hockey team.

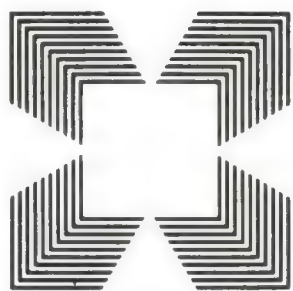

STINGER HOCKEY SCHOOL

Over the past 10 years the Stinger Hockey School has been recognized as one of Canada's finest. A number of former Stinger players, including Jim Corsi, Larry Carriere, Randy Mohns and Al Smith, have worked as instructors. Last summer Mark Kosturik and Mike Deegan, members of the present Concordia squad, served similar roles at the Ste. Anne de Bellevue location, on Montreal's West Island. Pictured above Stingers head coach Paul Arsenault, director of the school, conducts some video analysis while at the right co-director Bob Philip teaches skating techniques.

FRIENDS OF STINGER HOCKEY AWARDS

Five years ago Stingers head coach and director of hockey operations Paul Arsenaault decided to hand out a new set of awards to his players, in addition to the ones given annually by the athletic department and the Quebec University Hockey League. And so the Friends of Stinger Hockey Awards were

launched. "It is our way of giving recognition to the players for some of the fundamentals we emphasize in Stinger hockey," Arsenaault points out. "A team wins because of the contribution of many players over the season."

1984-85 WINNERS

HITMAN OF THE YEAR:

To the player who makes the most good bodychecks during the season.

KEVIN McGOVERN – captain and graduating senior

HOUND DOG:

The player giving the most pursuit and torment to the opposition.

FRANK MORRIS

PLAYMAKER:

The player who through unselfish play and good passing successfully sets up outstanding offensive attacks.

WILLIAM D'AMBROSIO – graduating senior.

CORNERMAN:

The player taking a check and winning the one-on-one's along the boards and in the corners.

BRENT CARTER – sophomore from Ottawa.

BIG PLAYS:

The player who makes the most outstanding offensive or defensive plays.

MARK KOSTURIK – all-canadian, QUHL all-star.

BLOCKER:

The player who blocks the most opposition shots.

BRENT CARTER

BIG GOALS:

The player who gets the most winning, tying or go-ahead goals during the season.

MARK KOSTURIK

STOPPER:

The goaltender who stops the most breakaways and 5 on 3 situations.

TONY GUERRIERO – N.D.G. native.

PLAYER OF THE YEAR:

The player who has been the most outstanding all-round Stinger during the season.

RETURNING PLAYERS

The Stingers are lucky to have 8 outstanding lettermen returning to the fold. Captain and last year's QUAA All-Star Giles Lascelle leads the defense along with former Toronto Marlrie, defenseman Neil Trineer, Ottawa Junior Bruce Barker and North Bay product Luc Champagne. Up front the Stingers have smooth puck handling center Mike Deegan, spark plug Frank Morris, cornerman scorer, Brent Carter, All-Canadian Mark Kosturik, one of Canada's most exciting players, and J.V. recruits Jim Stevenson, Jeff Smith and Dave Racozy.

NEWCOMERS

The best crop of newcomers in several years will help the Stingers regain Championship form. New Stingers to watch include Jeff Carter high scoring winger from Brockville Juniors; Dave Poeta from North Bay; Richard Blanchette from Victoriaville CEGEP; Richard Vermette from CEGEP St. Jerome; Rob Boyle a strong winger from North York Juniors in Toronto; Brian Parrott a big defenseman from the same team, Martin Foy defenseman from Bowling Green University; Tony Kedzo a tough winger from Pierrefonds; Tod Button a rangy winger from John Abbott; Franco Iammatteo a big strong skating center from the Quebec Major Junior Longueuil team, Curt Amey and Glen Earley two strong recruits from Manitoba; forwards Daniel Coté and Paul Brophy and Neil's brother Wade Trineer another big forward strong in the checking department. Goaltenders include Scott McNab one of last year's best J.V.'s, Frank Tourneur another outstanding J.V. goaltender from last year, Steve Arsenault from CEGEP St. Laurent and Ken Hrivnak from Montreal Ahuntsic Juniors.

OUTLOOK

From the results of pre season games the Stingers can be counted on to hold their own against the best in the country. After beating Guelph at home 9-6 the Stingers travelled to the Maritimes for 3 games. After a 12 hour bus trip they played and defeated Mount Allison 10-5 then took on the defending Maritime champions from P.E.I. and lost in overtime 7-6. The final game the team was visibly tired. After gaining a 5-0 lead they allowed Acadia to come back and with little more than one minute to play Acadia went ahead 8-7. However, two rookies, Rob Boyle and Dave Poeta combined to score two quick goals and Neil Trineer added an empty netter to win 10-8. When was the last time anyone beat Toronto back to back?

THE SCHENLEY AWARDS

The Monde Selection is among the most coveted awards in the spirits industry. It is recognized as the "symbol of quality" by over 170 countries.

Why? Because only the Monde Selection is awarded according to both the subjective judgment of experts and the objective analysis of scientific tests.

Thus, we're very proud that in the last ten years Schenley has won more Monde Selection Awards than any other distiller in Canada.

We've earned 33 Gold, 12 Silver and 4 Bronze medals. It's a remarkable record of achievement, confirming that when it comes to fine spirits... Schenley is best.

SCHENLEY O.F.C.

The winner of 10 Gold medals, plus the competition's highest award...the Monde Selection perpetual trophy. Obviously, one of Canada's outstanding 8-year-old whiskies.

TROIKA VODKA

This exceptional vodka has won 5 Gold, 1 Silver and 1 Bronze. Troika has also won the loyalty of Canadians who appreciate a winning bloody mary or screwdriver.

SCHENLEY

LONDON DRY GIN

The only dry gin to ever win a Monde Selection Gold medal, not once, but five times! It's the main ingredient for an award winning martini.

RON CARIOCA WHITE RUM

Winner of 2 Gold, 4 Silver and 1 Bronze, and a winner for those who appreciate the refreshing taste of rum made from pure cane spirits imported from the Tropics.

A taste you can call your own.
